DEDICATION

Now look, wouldn't you dedicate your yearbook to a guy like this? Let's face it, he's one of the best teachers around. And he cares about his kids. He wants them to have the best school possible. He comes to cheer them on at their games. He gives them the best he has in every class. That's a lot. His education and his personal experiences combine to make his teaching inspiring and exciting. This is why we are dedicating our yearbook to Mr. Scott Ljungberg.

SUPERINTENDENT OF SCHOOLS

TO THE CLASS OF 1968

Congratulations to you as a class and to you as individual members of the class of 1968 for your record of accomplishment and achievement at Wachusett Regional High School.

You have learned that success in any worthwhile endeavor is determined by the degree of commitment among the individuals involved.

Continue to search for meaningful goals and strive to reach them. The only limitation on your potential is your willingness to give of yourselves.

TO THE MEMBERS OF THE CLASS OF 1968

As you approach the end of your career here at Wachusett, I hope it is with a feeling of complete satisfaction. If you have taken advantage of the superior teaching and outstanding facilities in this fine school, you should be well prepared for whatever the future may bring. We all hope that everyone of you finds true happiness and success in whatever lies ahead.

Principal

TO THE CLASS OF 1968

After four years of endeavor, the day has finally arrived when you say good-bye to the many dear friends and memories that you have gathered while a student at Wachusett Regional High School.

Your parents and teachers are equally proud of you for having the fortitude to achieve this goal and for the many fine contributions you have made to the school.

Your future is now resting in your hands. Make of it what you will. Idealism, determination, and faith will help you reach your personal goals.

Best wishes for a bright and happy future.

FOREIGN EXCHANGE STUDENT - 1968

Anna
Birgitta
Alklev

Tralasvagin
Goteborg
Sverige

During our senior year, a foreign exchange student from Sweden was a member of our class.

Birgitta, eighteen, whose hometown is Goteborg, Sverige (Sweden), was able to come to the United States thanks to a scholarship from the American Field Service. For the year, she became a member of the Kopp family and a sister to Pam Kopp, one of the seniors at Wachusett. During her year here, she attended classes at Wachusett and participated in many of the activities in school. She was a member of the Glee Club and the Girls' Varsity Basketball Team, and took part in the Senior Play. She was also active in the American Field Service Club, the student-run chapter of the organization which sponsors our student exchange program.

Now that her year at Wachusett is over, Birgitta will be returning to Sweden to continue her education. She hopes to come back to the United States soon for another year of study, and wants to become a doctor.

Good luck in the coming years, Birgitta.

WHADAYA GOT? Lindfors! LOUDER ...

Glass so clean it almost disappears ...

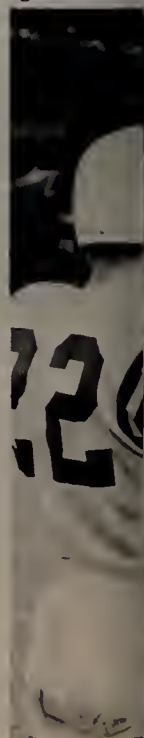

Spie and Span, the big job cleaner ...

Who's got the master key on this corridor? If we hurry, there might be some left.

"You realize, of course, Mary, I could do it better."

"And here we have a molecule of . . ."

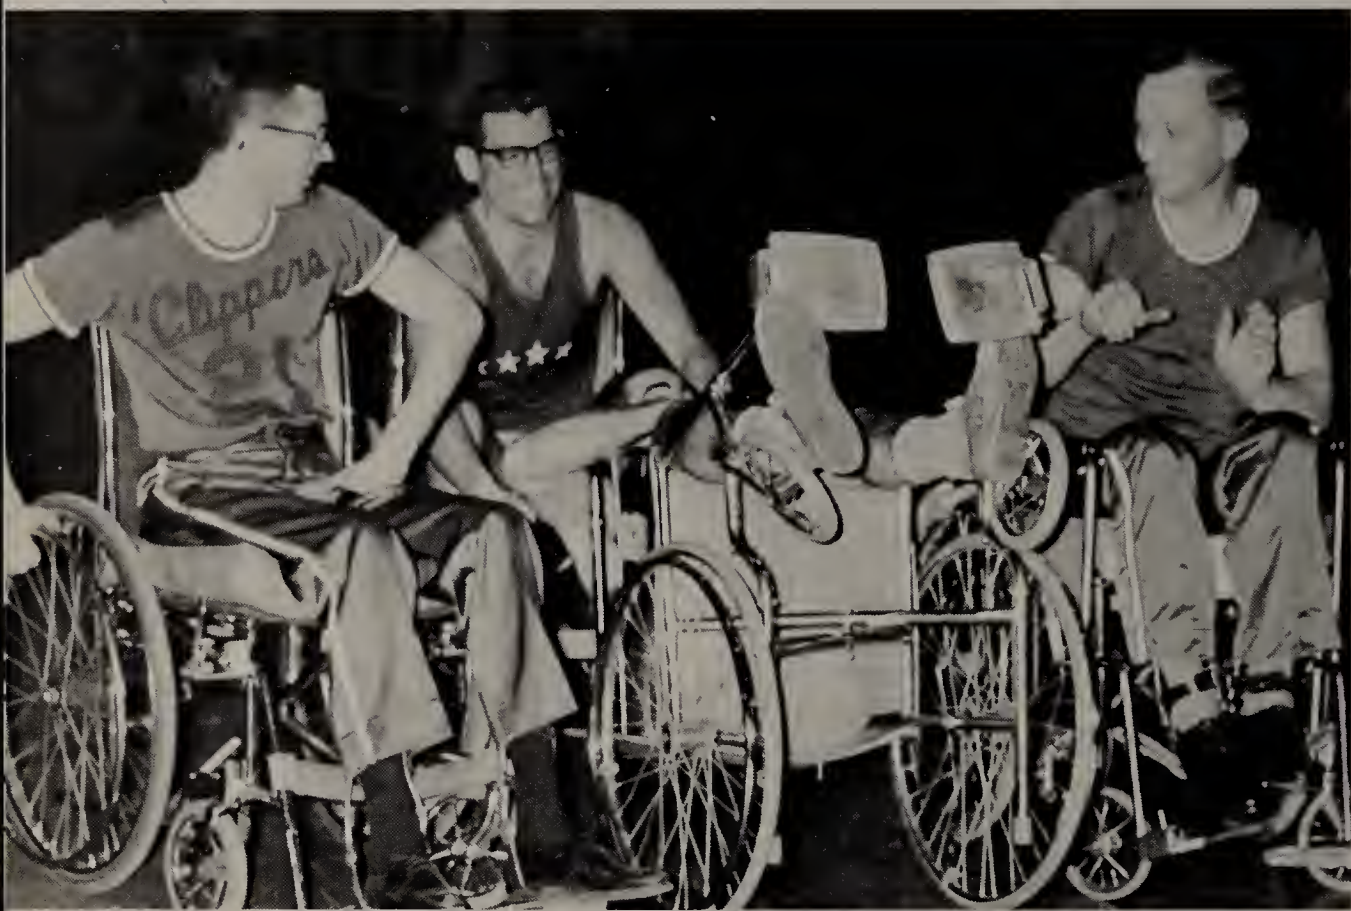

After Ultra Brite, everything else is just toothpaste.

They're just sore because we're winning.

Uh-oh! There goes another "Shibley-pass."

Don't be embarrassed. People expect it from a French-Canadian.

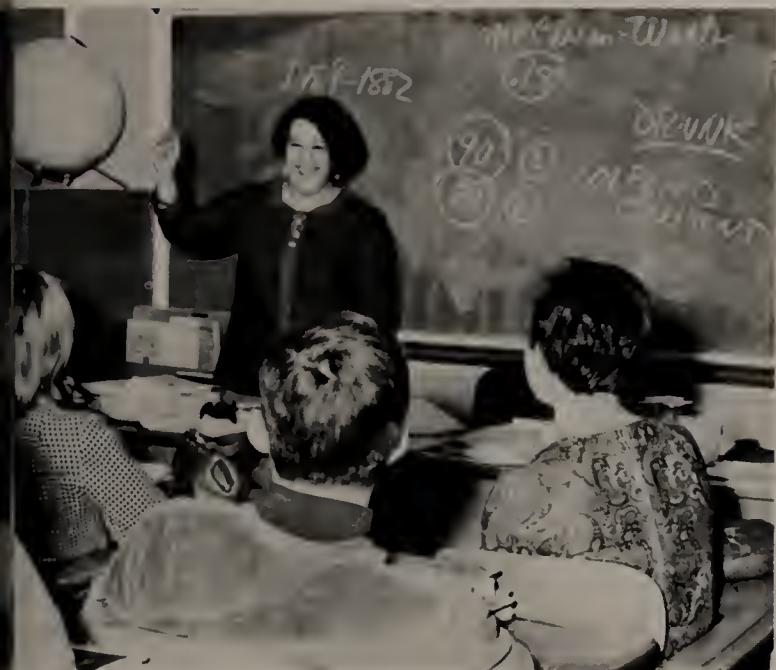

I still don't think you're sorry you said French-Canadians are lousy lovers.

I betcha Mr. Williams remembers this.

Now we'll see what effect two more shots have.

Bet you heard that one up at the Eagle Lake House.

... And what would you like for Christmas?

... And I'd also like a teddy bear and a ...

And I suppose you want a case after the game too.

Here's your money back. Herb's was out of Kool's.

I didn't want the roots to show.

And I can give you the same treatment.

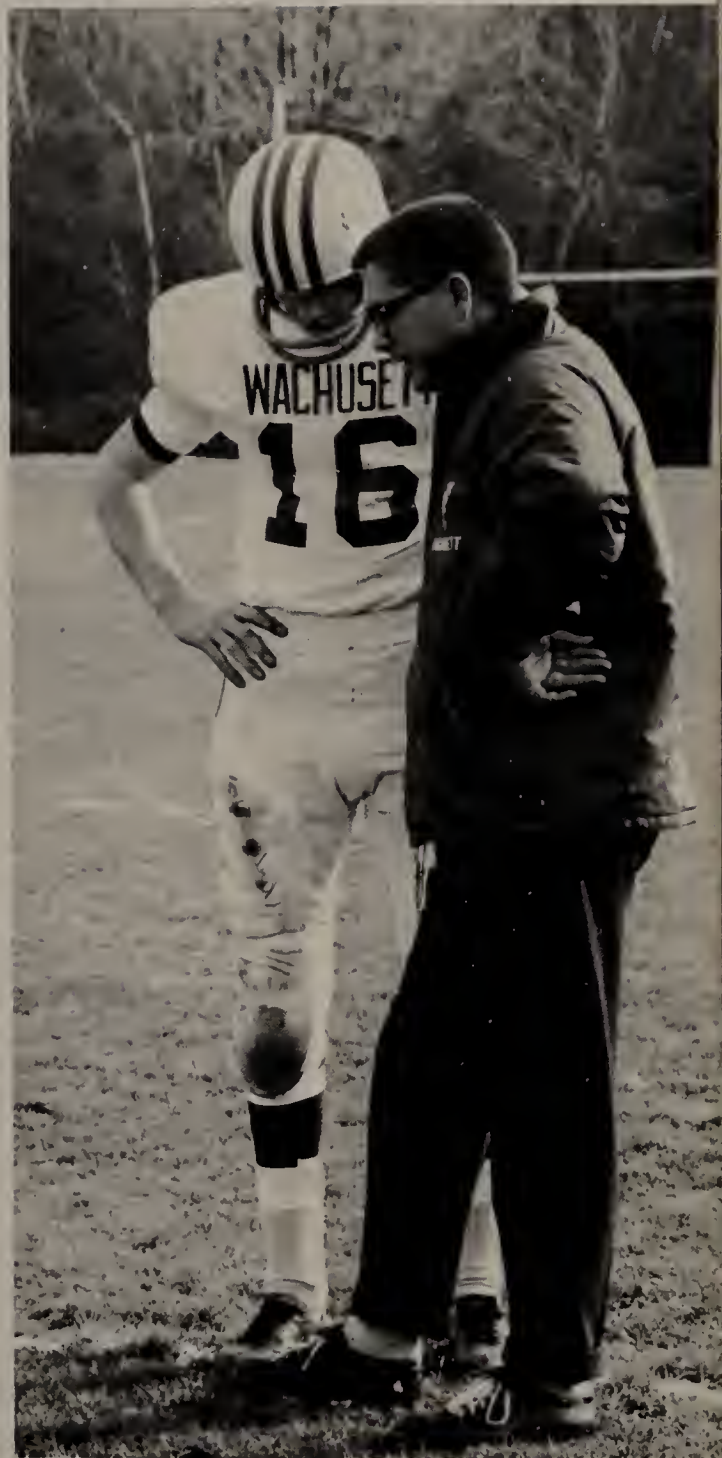

Hoop said the church key'd be in here.

Hey there all you tigers . . .

No sense in staying home when you don't feel good.

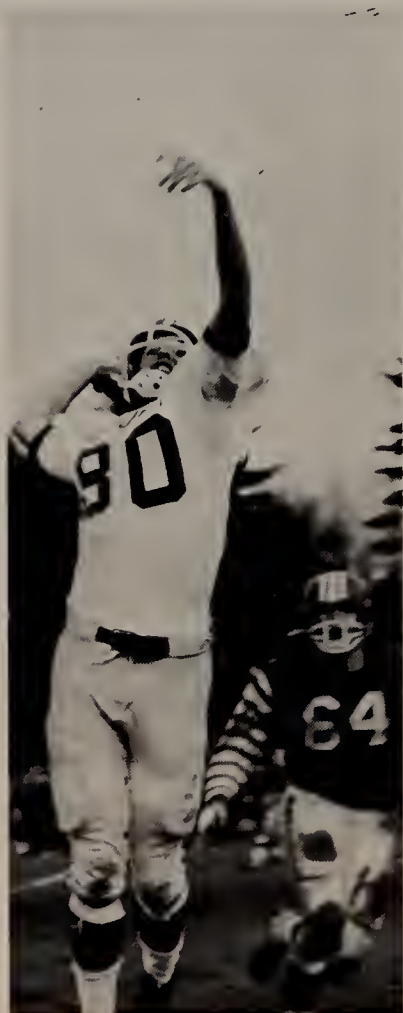

Now look, I've got a sister who's sixteen . . .

Who's got the Yale catalogue?

Gosh, I'm sorry Mrs. Biller—*you know* how I *HATE* to be dismissed from Spanish class!

Track was my specialty.

Technical on 31!

I didn't make most mischievous for nothing.
